

Regus launches online booking system for Videoconferencing Agents

Regus videoconferencing facilities can now be booked online in over 52 UK locations, we have teamed up with Whygo to provide agents a quick and easy way to book videoconferencing rooms.

Benefits

- Real time availability
- Instant confirmations – no more delays
- No more booking forms, faxes or phone calls
- Ability to edit bookings online up to 48 hours prior to the event
- Access to the same great ‘agent’ rates
- Dedicated Videoconferencing Suites – no moving equipment from room to room
- Invoices emailed directly to you within 48 hours of the conference
- Google Maps integration – find the closest venue to your participants

Booking has never been easier

1. Simply login
2. Select the centre you would like to book
3. Check availability
4. Book your designated videoconferencing suite
5. Receive an instant confirmation
